Forecast 2015.

Current Status

Till Dec. 2014 BNC was qualified with one major Telecom Operator only (Mobily).

BNC during Jan. 2015 successfully qualified itself with the other major Telecom Operators (STC & ITC)

BNC during Feb. 2015 successfully acquired two new projects from Mobily.

Currently BNC is in serious discussions with Cisco to be strategic partner for their activities in KSA.

Till Feb. 28th, 2015, BNC has acquired volume of work exceeding the planned Forecast.

Plans & Forecast

BNC vision for 2015 is based on qualifying the company with prospected clients out of the Telecom Operator's Circle (MOI, MODA & NG)

BNC Target is to grow steadily based on solid bases by teaming up with reliable Clients.

BNC capabilities is much higher than forecast in the Chart.
